

Purpose of Development Charges

Development charges are fees collected by the City for new development and redevelopment of land. Collecting development charges is the City’s primary revenue tool for funding growth-related capital costs. This reduces the overall burden on the taxpayer.

City-wide Development Charges

By-law 91-2024 imposes residential and non-residential development charges on all lands within the boundaries of the City of Oshawa.

The City’s Development Charge By-law provides for Fire Protection Services, Parks and Recreation Services, Library Services, Provincial Offences Act including By-law Enforcement, Waste Diversion, Growth-Related Studies, Services Related to a Highway, and Stormwater Services.

The City’s Development Charge By-law is available on the City’s website at www.oshawa.ca and at Building Services, upon request.
