## New murals were installed at two recreation centres in May

"Stay True" by Jon Colwell, installed at South Oshawa Community Centre. This artwork is an autobiographical piece by Jon Colwell, exploring the tension between his creative vision and the expectations imposed on him by others because of his Indigenous identity. Colwell symbolizes himself as the eagle depicted in a neo-traditional tattoo style, venturing into creating new works while the background hints at the Woodland style artwork typically expected of him being left behind. The black border and beveled edges represent a still frame or Polaroid, capturing the decisive moment to deviate from expectations and pursue authentic self-representation.

"One Fish Two Fish" by Meaghan Claire Kehoe, installed at Northview Community Centre. This artwork is an exploration of childhood nostalgia, depicted through vibrant colors and playful forms intended to recall joyful memories. Inspired by whimsical stories like those of Dr. Seuss, this painting invites viewers to reconnect with the fun and innocence of childhood, where imagination knows no bounds. "One Fish Two Fish" celebrates the freedom to dream and create, offering a journey into possibility and wonder.

## Camp Registration Information

### Age Requirements

Each camp program has specific age requirements. Campers must be the required age before the start of camp.

### Toileting

Campers must be fully toilet-trained to attend all programs.

### Financial Assistance

Assistance programs are available to Oshawa residents wishing to access camps. These include the Durham Region Social Services Recreation Program Card, Canadian Tire Jumpstart and the Recreation Fee Assistance Program. Programs that are offered in partnership with community organizations or businesses do not qualify for fee assistance. Programs qualify for assistance unless marked otherwise (\*). Verify your eligibility by contacting a Supervisor at a recreation facility.

### Cancellations & Waitlists

Register early to help ensure you get your first choice of camps. Camps may be cancelled due to low registration, or circumstances beyond our control. If a camp is cancelled, you will be contacted by staff to help choose a different camp (where space is available). If we cannot register you for another camp a full refund will be provided.

If your preferred camp is full, we recommend being placed on the waitlist. If a space becomes available campers will be contacted in order of being placed on the waitlist and offered the available space. There is no charge for being added to the waitlist. If you are already registered in a camp and wish to transfer to the now available waitlisted camp you may do so for no additional charge.

## Extended Supervision

Extended supervision is available before and after camp programs for an additional fee at most camp locations.

## Lunches & Snacks

Campers are required to bring their own litterless lunch, snacks and extra drinks. Peanuts, peanut butter, tree nuts and all food containing nut by-products are not permitted at camp.

The Camp Lunch Program is available for an additional fee at most camps. To see lunch options or to place your order, complete our Camp Lunch Order Form at [Oshawa.ca/Camps](https://www.oshawa.ca/Camps).

## Parent Communication

Parents will be contacted by either phone or email prior to their camper's week at camp.

## Camp Forms

Parents/guardians must complete all forms online the Thursday before camp starts. The Emergency Contact and Consent Form is a mandatory form for all campers. View camp forms at [Oshawa.ca/Camps](https://www.oshawa.ca/Camps).

If forms are not submitted online the Thursday before camp starts, staff will not receive them in time. If staff do not receive the required forms before the first day of camp, the camper will not be able to attend camp on the first day. In this situation, campers can attend camp the following day after staff receive the completed forms.

## Photo Policy

Photos and videos are not permitted during camp programs, other than specific cases where performances have been identified (e.g. Dance Camp). Photos may be taken by the City of Oshawa for promotional purposes. In this case, all parents/guardians will be notified and required to give signed permission.

## Pick-up & Drop-off

In order to ensure campers safety, parents/guardians are required to sign in and sign out campers each day. Government issued photo identification must be presented at the time of pick-up for campers to be released. Please ensure that all individuals permitted to pick up your campers are included on Emergency Contact and Consent Form. Individuals who are not included on the consent form will not be permitted to sign your camper out.

## Camper Responsibilities

All campers and staff are expected to do their part by showing respect for all people and property while attending City of Oshawa camps. Please report any incidents and concerns to staff.

Coarse language, bullying, non-compliance, aggressive or inappropriate behaviour are not permitted at camp. These behaviours will be documented, reported and could result in the removal of a participant from camp.

**The City is not responsible for lost, damaged or stolen items.**

## Inclusion Support

The City of Oshawa is dedicated to providing accessible and inclusive recreation opportunities for participants of all abilities.

1:1 or 1:2 support can be requested for those participants who benefit from additional support to be successful in a typical camp program. ## Transition Level (2–5 years)

### Transition Level (2–5 years) **P**

Designed for toddlers/preschoolers comfortable in the water and capable of doing skills independent from a caregiver. Caregivers are to participate (and should come prepared to be in the class) until the instructor lets them know the child can do it themselves.

## Preschool (3–5 years)

### Preschool 1 (3–5 years)

Preschoolers will have fun learning to get in and out of the water. We'll help them jump into chest-deep water. They'll float and glide assisted on their front and back and learn to get their faces wet and blow bubbles underwater.

### Preschool 2 (3–5 years)

Preschoolers learn to jump into chest-deep water by themselves and get in and get out wearing a lifejacket. They'll submerge and exhale underwater. Wearing a lifejacket they'll glide on their front and back.

### Preschool 3 (3–5 years)

Preschoolers will try both jumping and a sideways entry into deep water while wearing a lifejacket. They'll recover objects from the bottom in waist-deep water. They'll work on kicking and gliding through the water on their front and back.

### Preschool 4 (3–5 years)

Advanced preschoolers will learn to do solo jumps into deeper water and get out by themselves. They'll do sideways entries and open their eyes underwater. They'll master a short swim on their front wearing a lifejacket and gliding and kicking on their side.

### Preschool 5 (3–5 years)

Advanced preschoolers are challenged with a forward roll entry wearing a lifejacket and treading water for 10 seconds. They'll work on front and back crawl swims for 5 metres, interval training, and get an introduction to whip kick.

## Swimmer Levels (6–15 years)

### Swimmer 1

Swimmers will become comfortable jumping into water with and without a lifejacket. They'll learn to open their eyes, exhale, and hold their breath underwater. They'll work on floats, glides, and kicking through the water on their front and back with assistance.

### Swimmer 2

Swimmers will jump into deeper water and learn to be comfortable falling sideways into the water wearing a lifejacket. They'll be able to support themselves at the surface without an aid, learn whip kick, swim on their front and back, and be introduced to flutter kick interval training.

### Swimmer 3

Swimmers will do different entries, in-water front somersaults and handstands. They'll work on front crawl, back crawl, and whip kick. Flutter kick interval training increases.

### Swimmer 4

Swimmers will swim underwater and lengths of front, back crawl, whip kick, and breaststroke arms with breathing. New challenges include the completion of the Canadian Swim to Survive® Standard. They'll cap it all off with front crawl sprints and front or back crawl interval training.

### Swimmer 5

Swimmers will master entries, eggbeater kicks, and in-water backward somersaults. They'll refine their front and back crawl and breaststroke. Then they'll pick up the pace in sprints and two interval trainings.

### Swimmer 6

Swimmers will rise to the challenge of aquatic skills including stride entries, compact jumps, and lifesaving kicks like eggbeater and scissor kick. They'll develop strength and power in head-up breaststroke sprints. They'll easily swim lengths of front crawl, back crawl, and breaststroke, and improve fitness with swimming workouts.

### Swimmer 7

Swimmers will rise to the challenge of aquatic skills including stride entries, lifesaving kicks like eggbeater and scissor kick. They'll develop strength and endurance through stroke developments and workouts.

### Swimmer 8 – Rookie

Swimmers continue stroke development with 50 metre swims of front crawl, back crawl, and breaststroke. Lifesaving Sport skills include a 25 metre obstacle swim and a 15 metre object carry. First aid focuses on assessment of conscious victims, contacting EMS, and treatment for bleeding. Fitness improves in 350 metre workouts and 100 metre timed swims.

### Swimmer 9 – Ranger

Swimmers develop better strokes over 75 metre swims of each stroke. They tackle lifesaving sport skills in a lifesaving medley, timed object support, and rescue with a buoyant aid. First aid focuses on assessment of unconscious victims, treatment of victims in shock, and obstructed airway procedures. Skill drills develop a strong lifesaving foundation.

### Swimmer 10 – Star

Swimmers are challenged with 600 metre workouts, 300 metre timed swims, and a 25 metre object carry. Strokes are refined over 100 metre swims. First aid focuses on treatment of bone/joint injuries and respiratory emergencies including asthma allergic reactions. Lifesaving skills include defense methods, victim removals, and rolling over and supporting victims face up in shallow water.

**\*Note: Low ratio swim lessons are not eligible for financial assistance.**

#### Low Ratio Swim Lessons – Preschool 2/3

##### Preschool 3:

Preschoolers will try both jumping and a sideways entry into deep water while wearing a lifejacket. They'll recover objects from the bottom in waist-deep water. They'll work on kicking and gliding through the water on their front and back.

**Age: 3 to 5 years**

**Location: Delpark Homes Centre**

#### Family Swim Lessons – Low Ratio

Designed for family/friends to learn together in the water. Each participant will be able to work on their own swim techniques while having fun together. Ideal for participants who are close in skill sets. All participants must be registered in the course. Price listed is per participant. Register the first participant and then call the coordinator at the location where the lesson is taking place to add the extra participants: Civic Recreation Complex ext. 2787, or South Oshawa Community Centre ext. 5308. Must be a minimum of two swimmers and a maximum of three.

**Age: 3 to 15 years**

**Location: Civic Recreation Complex,  
South Oshawa Community Centre**

#### Low Ratio Swim Lessons – Swimmer 1

Swimmers will become comfortable jumping into water with and without a lifejacket. They'll learn to open their eyes, exhale, and hold their breathe underwater. They'll work on floats, glides, and kicking through the water on their front and back with assistance.

**Age: 6 to 15 years**

**Location: Delpark Homes Centre**

#### Low Ratio Swim Lessons – Swimmer 2

Swimmers will jump into deeper water and learn to be comfortable falling sideways into the water wearing a lifejacket. They'll be able to support themselves at the surface without an aid, learn whip kick, swim on their front and back, and be introduced to flutter kick interval training.

**Age: 6 to 15 years**

**Location: Delpark Homes Centre**

# How to become a lifeguard or swim instructor

## Aquatic Leadership Courses

**!** Aquatic Leadership courses are offered in two formats, an extended course and crash course

### Extended courses

Extended courses are scheduled over the duration of a program session (i.e several weeks) and give candidates more opportunities to practice what they learnt in between each class.

### Crash courses

Crash courses allow candidates to complete a full course intensively over one or two weekends or consecutive days. Crash courses are best suited for highly motivated, mature learners ready to perform required skills with little time to practice between each class.

## Course Prerequisites

### Age prerequisites

Minimum age prerequisites must be attained by the last day of the course or the day of the exam. There are no exceptions. Acceptable proof of age includes: birth certificate, driver's license, health card or passport.

### Award prerequisites

Prerequisite award(s) must be earned prior to the start of the course. No exceptions can be made to this policy and it is the responsibility of the candidate to ensure they have the appropriate prerequisite(s).

The following are acceptable proof of award prerequisites: a printout from Find a Member; or confirmation using [Find a Member Mobile](#), a Lifesaving Society certification card or current temporary card (expired temporary cards more than 90 days old will not be accepted).

## Course Attendance

100 percent attendance and active participation are required for all aquatic leadership courses. If a candidate is unable to attend a class, make-up classes will not be offered and a refund will not be issued.

## Before you go, you should know

### Food & Drinks

Candidates should bring water/drinks and lunch/dinner/snacks where appropriate.

### For aquatic leadership courses, bring:

- proof of age where required
- proof of original certification of prerequisite(s)

### For in-water courses, bring:
